In view of the COVID-19 pandemia spreading around the globe, and the unprecedented challenges faced by the society and entrepreneurs, the Zonal Technology Management Centre at ICAR-CIFT is planning to host a Webinar on Entrepreneurship Opportunities in Indian Fisheries Sector - A crisis management support to overcome the impact of COVID-19 pandemic on 12 June 2020, with the participation of all ICAR Institutes under Fisheries Division.

With the announcement of Matsya Sampada Yojana, by the Government of India, in the FY20 budget to plug critical gaps in the fisheries value chain, we foresee a new growth in country fisheries sector and novel business ventures. The Webinar is focused on giving an overview about the innovative technologies with business potential, developed by various fisheries research institutes under Indian Council of Agricultural Research (ICAR), and the major business support schemes offered by the government.

12th JUNE 2020, 2.00 - 4.30 PM

Join the Webinar, explore and choose the wide range of technologies developed by 8 ICAR-Fisheries Research Institutes, to fire up your business.

Get to know the right business opportunities and also the financial schemes / services offered by various Government Agencies (AgrInnovate / MSME / IIIT).
