Webinar “Value addition of farmed finfish and shellfish: Avenue for augmenting income from diversified aquaculture”

Report of Webinar on “Value addition of farmed finfish and shellfish: Avenue for augmenting income from diversified aquaculture” conducted at Visakhapatnam RC of CIFT on 01st September, 2021.

On the occasion of Bharat Ki Azadi ka Amrut Mohotsav on 75th year of India’s Independence, Visakhapatnam Research Centre of ICAR-Central Institute of Fisheries Technology (ICAR-CIFT) organised a webinar on “Value addition of farmed finfish and shellfish: Avenue for augmenting income from diversified aquaculture” through Google Meet on 1st September 2021 from 10.30 am to 12.00 pm. The objective of the webinar was to promote value addition of aquacultured fishes and development of by products from fish waste. A total of 97 participants including progressive entrepreneurs, fish business operators, state fisheries department officials, central government officials, scientists, scholars, students etc. participated in the webinar. Dr. R. Raghu Prakash, Principal Scientist and Scientist-in Charge welcomed the participants and briefed the activities of ICAR-CIFT. Dr. C.N. Ravi Shankar, Director, ICAR-CIFT addressed the participants and encouraged the entrepreneurs to take up the novel technologies developed by ICAR-CIFT. Dr. JesmiDebbarma, Scientist, Visakhapatnam Research Centre of ICAR-CIFT delivered a technical talk on “Value addition of farmed fin fish and shell fish-prospects and challenges” wherein she stressed the need for system diversification in aquaculture and gave awareness on the various technologies developed by ICAR-CIFT for value addition of farmed fishes including live fish transportation. Dr. Viji P. Scientist, Visakhapatnam Research Centre of ICAR-CIFT delivered a technical talk on “Developing valuable products from processing wastes of aquacultured fishes”. Cost effective technologies for converting fish waste into fish feed and development of high value nutraceutical products from fish waste were highlighted in the talk. The scientists of Visakhapatnam Research Centre of ICAR-CIFT and scientists from ICAR-CIFT, Cochin responded to the queries of the participants. The programme concluded with a vote of thanks proposed by Dr. K. Ahamed Basha, Scientist.
