ABOUT US

The ICAR-Central Institute of Fisheries Technology (ICAR-CIFT) is the national research institute that caters to the needs of harvest and post-harvest fisheries, covering both inland and marine sectors.

CIFT is ISO / IEC 17025: 2017 NABL accredited, ISO 9001: 2005 certified laboratory and is recognized by FSSAI as a National Referral Laboratory and National Reference Laboratory for testing of fish and fishery products.

CIFT provides consultancy and transfers harvest and post-harvest technologies to various beneficiaries and stakeholders.

CAPACITY BUILDING TRAINING PROGRAMME

PRODUCTION AND CHARACTERISATION OF HIGH-VALUE PRODUCTS FROM FISH PROCESSING DISCARDS

Sponsored
by

Indian Council of Agricultural Research
(SCSP plan)

Krishi Anusandhan Bhawan-II
Pusa, New Delhi-110012

05 - 09 October 2026

ABOUT THE TRAINING

This training programme is designed for Master's degree students and final-year Bachelor's degree students in fisheries, fish processing technology, biochemistry, food science, biotechnology and allied life-science disciplines. It aims to expose participants to sustainable approaches for valorising fish processing discards through the recovery, production, characterisation and quality evaluation of high-value products.

DURATION

The training is of 5 days duration and is scheduled to be organized during 05-09 October 2026. Outstation participants are required to reach ICAR-CIFT latest by the evening of October 4, 2026. The participants are advised to plan their return journey after 5:00 PM on October 09, 2026.

[Click Here for Application Form](#)

TRAVEL, FOOD, AND ACCOMMODATION

The candidates selected for participation in the training shall be reimbursed travel expenses (to and fro) as per their entitlement restricted up to sleeper class rail fare by the shortest route subject to submission of documentary evidence in terms of original tickets.

Participants will be provided with food and accommodation as per ICAR norms, and trainees will be accommodated by the ICAR-CIFT on sharing basis at the expense of CIFT.
