**Extraction and
characterization
of marine
biomolecules**

6 -10, January 2025

Eligibility

This is a special capacity-building programme for the students belonging to the Schedule Caste category. Postgraduate students and final year Bachelor's degree students from the State AUs/CAU/Agriculture colleges in the disciplines of Biochemistry, Food Technology, Fisheries and Life sciences are eligible to apply. A total of 15 candidates shall be selected for the course. The selection of the candidates shall be made by a screening committee as per the guidelines of ICAR.

Important Dates

Last date for receipt of applications: 23 December 2024
Intimation of Selection: 26 December 2024
Last date of confirmation by Participants: 30 December 2024

Travel, food, and accommodation

The candidates selected for participation in the training shall be reimbursed travel expenses (to and fro) as per their entitlement restricted up to sleeper class rail fare by the shortest route subject to submission of documentary evidence in terms of original tickets. Participants will be provided with food and accommodation as per ICAR norms, and trainees will be accommodated in the ICAR-CIFT Trainees Hostel on sharing basis.

About the training

The present course is aimed for Master's degree students and final year Bachelor's degree students studying in the area of Biochemistry, Fisheries and Life sciences. The objective of this course is to expose the participants to impart knowledge as well as technical skills related to isolation and quantification of marine biomolecules.

Course Director

Dr. Renuka V, Senior Scientist
Biochemistry & Nutrition Division

Course Coordinators

Dr. Anandan R
Dr. Lekshmi R G Kumar
Dr. Tejpal
Mr. Anas K K
