# **Green extraction techniques for Marine bioactive compounds**

## **About the Training**

This is a special capacity-building programme for the students belonging to the Scheduled Caste category.

Master's degree students and final year Bachelor's degree students in the disciplines of Biochemistry, Nutrition Food Science and Technology, Fisheries and Life sciences are eligible to apply.

A total of 15 candidates will be selected for the course. The selection of the candidates shall be made by a screening committee as per the guidelines of ICAR.

The objective of the training programme is to impart knowledge as well as technical skills related to the green extraction techniques for marine bioactive compounds

## **ABOUT ICAR-CIFT**

ICAR-CIFT is ISO / IEC 17025: 2017 Accredited & ISO 9001: 2015 certified laboratory and is recognized by FSSAI as a National Referral Laboratory and National Reference Laboratory for testing of fish and fishery products.

ICAR-CIFT provides consultancy and transfers harvest and post-harvest technologies to various beneficiaries and stakeholders

### **Important Dates:**

**Last date for receipt of applications:** 05<sup>th</sup> January 2025

**Intimation of Selection:** 10<sup>th</sup> January 2025

**Last date of confirmation by Participants:** 12<sup>th</sup> January 2025

## **Travel, food, and accommodation**

The candidates selected for training shall be reimbursed travel expenses (to and fro) as per their entitlement restricted up to sleeper class rail fare by the shortest route subject to submission of original tickets.

Participants will be provided with food and accommodation as per ICAR norms, and will be accommodation in the ICAR-CIFT Trainees Hostel on sharing basis.

## **Duration**

The training is of 5 days duration and is scheduled from 20<sup>th</sup> -24<sup>th</sup> January 2025. Outstation participants are required to reach ICAR-CIFT latest by 19<sup>th</sup> January evening. The participants are advised to plan their return journey evening onwards on January 25<sup>th</sup>.
